CURRICULUM VITAE
Andrew C Rausch, MD

Chicago, 10/14/26

Address:	The University of Chicago
	Department of Obstetrics & Gynecology
	Section of Maternal-Fetal Medicine
	5758 S Maryland Ave, MC 2050
	Chicago, IL 60637
Office:	773-702-6621
Cell:	612-309-4222
Email:	ARausch@bsd.uchicago.edu

ACADEMIC APPOINTMENTS

2018–2021	Clinical Instructor, Obstetrics & Gynecology, Hofstra University Zucker School of Medicine
2021–present	Assistant Professor, Obstetrics & Gynecology, University of Chicago

ACADEMIC TRAINING

2004–2008	BA, Physics & Astronomy, Carleton College, Northfield, MN
2010–2014	MD, Tufts University Sackler School of Medicine, Boston, MA
2014–2018	Residency, Stamford Hospital/Columbia University, Stamford, CT
2018–2021	Fellowship, Maternal-Fetal Medicine, Northwell Health/Hofstra University Zucker School of Medicine, Manhasset, NY

BOARD CERTIFICATION & LICENSURE

2018–2022	Medical License, New York
2021–present	Medical License, Illinois
2021–present	Board Certification, American Board of Obstetricians & Gynecologists
2026–present	Subspecialty Board Certification, American Board of Obstetricians & Gynecologists, Maternal-Fetal Medicine

HONORS & AWARDS

2026	Associate Junior Faculty Scholar, Bucksbaum-Siegler Institute for Clinical Excellence, University of Chicago
2024	National Faculty Award for Excellence in Resident Education, OB/GYN residency, University of Chicago & Endeavor Health
2020	40 Featured Voices in MFM – 2020 SMFM Annual Meeting (@rauscha on Twitter)
2016	Gold Foundation Humanism and Excellence in Teaching Award – Columbia University College of Physicians and Surgeons
2015, 2016	Junior Resident Teacher of the Year – Stamford Hospital Ob/Gyn residency
2011	Harold Williams Summer Research Fellowship, Tufts University
2008	Bachelor of Arts *Cum laude*, Carleton College
2007	Mike Ewers Award, Minnesota Space Grant Consortium
2004	National Merit Scholar
2004	Carleton Merit Scholar

INVITED TALKS

2020 Dept of Obstetrics & Gynecology Grand Rounds. "Artificial Intelligence in Obstetrics" Stamford Hospital, Stamford, CT

2021 Department of Obstetrics & Gynecology Grand Rounds. "Artificial Intelligence in Obstetrics" University of Chicago, Chicago, IL

2023 ENDORAMA – Section of Endocrinology case presentations – University of Chicago

2024 Association of Physician Associates in Obstetrics and Gynecology Webinar Education Series – Preterm Labor: Diagnosis, Management, and Prevention

2025 SSHCO Maternal Health Education Series – Soft Markers in Pregnancy

2026 University of Chicago Medicine Webinars – Preconception Through Post-partum: Updates in IBD Management and a Multidisciplinary Care Approach

2026 The Pregnancy Meeting – Scientific Forum: Ultrasound – The Utility of the First Trimester Ultrasound in Detecting Congenital Anomalies and Placental Abnormalities

2026 Greater General Surgery Grand Rounds, University of Chicago – Managing Needs: Fellow-Resident Interactions and Optimizing the Learning Environment for All

TEACHING ACTIVITIES

Ob/Gyn Residency, University of Chicago

Rotation Director, ultrasound rotation (2026). Designed and implemented a novel written curriculum for resident training in obstetric and gynecologic ultrasound, with graduated scanning and reading expectations (with Leah Hefelfinger, PGY-3)

Built mfm.media (2026), a lecture library for the section hosting rebuilt resident lectures and interactive teaching models (fetal Doppler physiology, power calculations)

Annual didactics: Embryology and Teratology; Preterm Birth – Diagnosis and Prevention; Fetal Growth Restriction and Antenatal Monitoring; Alloimmunization

Maternal-Fetal Medicine Fellowship, University of Chicago

Designed the fellowship ultrasound education curriculum, including a novel curriculum in advanced obstetric ultrasound

Annual didactics: Ultrasound Basics; Fetal CNS Ultrasound; Pulse Wave Doppler in Fetal Ultrasound; First Trimester Detailed Anatomy; Fundamentals of Needle Guided Intervention (FUNGI) simulation

Expanded FUNGI with low-fidelity trainers built in house: an exam-indicated cerclage model (ABOG Simulation Summit 2026) and a model of fetal intracardiac intervention

Programmed and deployed an offline intrauterine transfusion calculator for the fellows (2026)

Neonatology Fellowship, University of Chicago

Didactics: Maternal-Fetal Medicine Topics in NICU Care

INSTITUTIONAL & PROGRAM POSITIONS

2026–present Director of Ultrasound, Department of Obstetrics & Gynecology, University of Chicago

2026–present Rotation Director, Ultrasound, Department of Obstetrics & Gynecology, University of Chicago

2025–present MFM Lead, Pregnancy and Preconception in IBD clinic, University of Chicago

2024–present FBC Policy Committee, University of Chicago

2022–present Sub-internship lead, Antepartum and Birth Rooms Sub-I University of Chicago

2026–present Associate Program Director, MFM Fellowship, University of Chicago

2022–2026 Site Director, MFM Fellowship, University of Chicago

2022–2026 Med Ed Champion (MFM), OB/Gyn residency, University of Chicago
2021–present Resident Recruitment Committee, University of Chicago
2021–present MFM Fellow Recruitment Committee, University of Chicago
2021–present Clinical Competency Committee, Ob/Gyn residency, University of Chicago
2021–present Clinical Competency Committee, MFM Fellowship, University of Chicago
2021–present Program Evaluation Committee, Ob/Gyn residency, University of Chicago
2021–present Program Evaluation Committee, MFM Fellowship, University of Chicago
2019–2021 Program Evaluation Committee, Fellow Representative, MFM Fellowship, Northwell Health/Hofstra University

CLINICAL ACTIVITIES & PROGRAM DEVELOPMENT

2026–present Director of Ultrasound, Department of Obstetrics & Gynecology, University of Chicago. Assumed day-to-day operational leadership of the ultrasound unit in January 2026; formally appointed Director of Ultrasound in February 2026. The unit (Hyde Park, offsite locations, and affiliated FQHCs) achieved AIUM practice accreditation in September 2026, and scan volume has increased 10–12% year over year since the transition.

Program development

First-trimester detailed anatomy program, built to AIUM practice accreditation standards
Targeted transabdominal and transvaginal fetal neurosonography
Expansion of obstetric ultrasound services at Ingalls Memorial Hospital, including transition of obstetric imaging from Radiology and guidance of the Radiology OB/Gyn ultrasound quality improvement program

Fetal procedures

One of three section faculty performing fetal procedures: percutaneous umbilical blood sampling, intrauterine transfusion, and fetal shunt placement, in addition to induction of fetal asystole, selective reduction, amniocentesis, and chorionic villus sampling
Sole current faculty member trained in Shirodkar cerclage placement

PROFESSIONAL MEMBERSHIPS & ASSOCIATIONS

Current American College of Obstetricians and Gynecologists – Fellow
Current Society for Maternal-Fetal Medicine – Member
Current American Institute of Ultrasound in Medicine – Member
Current International Society of Ultrasound in Obstetrics and Gynecology – Member
Current Massachusetts Medical Society – Member
Current Society for Pediatric Radiology – Allied Member
Current International Society for Prenatal Diagnosis – Member
Current Ad hoc Reviewer for Ultrasound in Obstetrics and Gynecology
2023 Invited Reviewer for Institute for Translational Medicine Grant, University of Chicago

MENTEES

Alexandra Diaz-Barbe – Pritzker School of Medicine medical student – A low-cost, low-fidelity model of fetal intracardiac intervention
Christy Evans – University of Chicago/Endeavor Ob/Gyn resident – Exam Indicated Cerclage Low Fidelity Training Model
Leah Hefelfinger – University of Chicago/Endeavor Ob/Gyn resident (PGY-3) – Resident ultrasound rotation curriculum; ultrasound curriculum survey for Ob/Gyn residency programs
